

MBA program

The MBA program at the University of Sialkot is designed to enhance graduates' managerial skills, executive personality, and intellectual abilities. With a curriculum that combines general management education with business practices, it prepares students for leadership roles in various industries. The program covers key areas like strategic management, finance, marketing, organizational behavior, and business communication. Students also engage in specialized electives tailored to their career interests.

Key Details:

Eligibility: 16 years of business or non-business education recognized by HEC, with a minimum CGPA of 2.0 or 2nd Division.

Duration: 2 to 4 years.

Credit Hours: 50 to 60 credit hours.

Career Opportunities:

Graduates of the MBA program can pursue diverse roles such as Brand Manager, Accounts Manager, Marketing Executive, HR Manager, Business Development Executive, Management Consultant, and more. Opportunities for entrepreneurship and further education (e.g., Ph.D.) are also available.

Fee Structure:

Admission Fee: Rs 15,000

Registration Fee: Rs 15,000

Tuition Fee per Semester: Rs 102,487

Semester Breakdown:

Semester 1:

Accounting for Decision Making

Managerial Finance

Discipline Electives

Semester 2:

Business Research Methods

Contemporary Issues in Pakistan's Economy

Discipline Electives

Semester 3:

Advertising and Sales Promotion

Consumer Behavior

Entrepreneurship

Semester 4:

Investment and Portfolio Management

Supply Chain Management

Domain Elective

This comprehensive MBA program prepares students for the complexities of global business environments and equips them with the skills to excel in leadership positions.

MS in Business Administration

The MS in Business Administration at the University of Sialkot aims to equip students with advanced management skills in the context of global challenges, especially in finance, marketing, HRM, and other business domains. The program provides a strong research focus, enabling students to contribute to solving business problems in Pakistan's manufacturing, agriculture, and services sectors.

Key Details:

Eligibility:

Minimum 45% in Annual System or a 2.0 CGPA in the Semester System.

16 years of education in business, management, or relevant fields (e.g., MCom, BS Accounting, Finance).

GAT/Departmental Admission Test required.

Duration: 2 to 3 years.

Credit Hours: 30 to 36 credit hours.

Career Opportunities:

Graduates can pursue diverse roles such as:

Brand Manager

Account Manager

International Business Manager

Marketing Executive

Business Technical Consultant

Business Development Executive

HR Manager

Management Consultant

The program also prepares students for further studies like Ph.D., DBA, or professional qualifications such as CA, ACMA, CPA, and CIMA.

Fee Structure:

Admission Fee: Rs 15,000

Registration Fee: Rs 15,000

Tuition Fee per Semester: Rs 113,135

Semester Breakdown:

Semester 0:

Accounting for Decision Making

Advertising and Sales Promotion

Entrepreneurship

Semester 1:

Advanced Research Methodology

Discipline Electives

Inferential Statistics

Semester 2:

Discipline Electives

Econometrics

Manuscript and Academic Writing

Semester 3:

Discipline Electives

Domain Elective I

Semester 4:

Domain Elective II

This program offers specialized knowledge that prepares students to excel in dynamic global business environments, providing them with solid research and decision-making skills.

MS in Economics

The MS in Economics program at the University of Sialkot aims to equip students with advanced knowledge in economic theory and policies, alongside critical thinking, problem-solving, and research skills. This program focuses on addressing global and local economic challenges, particularly in Pakistan's context.

Key Details:

Eligibility:

At least 45% marks in Annual System or a 2.0 CGPA in Semester System.

GAT/Departmental Admission Test required.

Duration: 2 to 3 years.

Credit Hours: 30 to 36 credit hours.

Career Opportunities:

Graduates can pursue a range of careers, including:

Economic Analyst

Researcher in Economics

Policy Advisor

Financial Consultant

International Economic Relations Expert

Econometrician

Fee Structure:

Admission Fee: Rs 15,000

Registration Fee: Rs 15,000

Tuition Fee per Semester: Rs 113,135

Semester Breakdown:

Semester 1:

Advanced Research Methodology

Domain Elective I

Inferential Statistics

Semester 2:

Domain Elective II

Manuscript and Academic Writing

Theory and Application of Econometrics

Semester 3:

Domain Elective III

Domain Elective IV

Thesis or Course

Semester 4:

Thesis or Course

The program prepares students to engage in research-driven solutions to economic issues and contribute to global and national policy discussions, with a strong foundation in econometrics and applied economics.

PhD in Management Sciences

The PhD in Management Sciences program at the University of Sialkot is designed to develop high-level research skills in Management Sciences. The program focuses on providing a solid theoretical foundation in areas like Human Resource Management, Marketing, and Finance, supported by both qualitative and quantitative research methodologies.

Key Details:

Eligibility:

Minimum CGPA of 3.0 (semester system) or First Division (annual system) in the most recent degree.

Applicants must submit a Statement of Purpose and take a Graduate Record Examination (GRE) or an equivalent test.

Duration: 3 to 5 years

Credit Hours: 30 to 32 credit hours

Career Opportunities:

Graduates are prepared for careers in both Academia and the Corporate World, with expertise in:

Research and Academia

Management Consulting

Senior Corporate Roles

Fee Structure:

Admission Fee: Rs 15,000

Registration Fee: Rs 15,000

Tuition Fee per Semester: Rs 167,706

Semester Breakdown:

Semester 1:

Advanced Business Research Methods

Advanced Quantitative Data Analysis

Seminar in Management Sciences

Semester 2:

Advanced Qualitative Data Analysis

Contemporary Topics in Management Sciences

Manuscript Writing and Publication

Semesters 3 to 6:

Dissertation/Research Thesis (9 credit hours per semester)

This PhD program provides students with the ability to contribute original research to the field of Management Sciences and develop a deep understanding of management practices.

MS Biological Sciences

The MS in Biological Sciences program at the University of Sialkot offers a modern curriculum with courses in Molecular and Cell Biology, Genetics, Biochemistry, Cell Signaling, and Computational Biology. This program is designed to enhance agricultural and livestock productivity and provide solutions for diseases related to plants, animals, and humans, benefiting the entire Sialkot region and beyond.

Key Details:

Eligibility:

45% in the Annual System or a 2.0 CGPA in the Semester System.

GAT/Departmental Admission Test required.

Duration: 2 to 3 years

Credit Hours: 30 to 36 credit hours

Career Opportunities:

Graduates can work in:

Hospitals

Universities

Agriculture

Food Industries

Research Institutes

Forensic Science

Public Health

Fee Structure:

Admission Fee: Rs 15,000

Registration Fee: Rs 15,000

Tuition Fee per Semester: Rs 113,135

Scheme of Study:

Semester 1:

Advanced Bioinformatics (3 credits)

Discipline Electives I, II, III (3 credits each)

Semester 2:

Advanced Biostatistics (3 credits)

Discipline Electives IV, V, VI (3 credits each)

Semester 3 & 4:

Domain Electives I & II (6 credits each)

MS Biotechnology

The MS in Biotechnology program at the University of Sialkot focuses on advanced biotechnology concepts and techniques such as Biochemical Techniques, Molecular Biology, Bioinformatics, and Advances in Industrial and Agricultural Biotechnology.

Key Details:

Eligibility:

16 years of relevant education with at least 2.5 CGPA or 60% in the Annual System.

Duration: 2 to 3 years

Credit Hours: 30 to 36 credit hours

Career Opportunities:

Graduates can work in biotechnology-related sectors such as:

Agricultural Biotechnology

Industrial Biotechnology

Research & Development

Pharmaceutical Industries

Fee Structure:

Admission Fee: Rs 15,000

Registration Fee: Rs 15,000

Tuition Fee per Semester: Rs 113,135

Scheme of Study:

Semester 1:

Advanced Biochemical Techniques (3 credits)

Advanced Bioinformatics (3 credits)

Advanced Molecular Biology (3 credits)

Advances in Biotechnology (3 credits)

Semester 2:

Advanced Biostatistics (3 credits)

Advances in Agriculture Biotechnology (3 credits)

Advances in Industrial Biotechnology (3 credits)

Research Methodology (3 credits)

Semester 3 & 4:

Domain Electives I & II (6 credits each)

These programs are designed to equip students with the advanced skills required for careers in biotechnology and biological sciences.

MS Chemistry

The MS in Chemistry program at the University of Sialkot provides a comprehensive curriculum aimed at preparing professionals to contribute to the economic and industrial development of the country. The department boasts state-of-the-art laboratories and conducts research at the forefront of chemical knowledge.

Key Details:

Eligibility:

45% in the Annual System or a 2.0 CGPA in the Semester System.

GAT/Departmental Admission Test required.

Duration: 2 to 3 years

Credit Hours: 30 to 36 credit hours

Career Opportunities:

Graduates can work in various sectors such as:

Chemical Industries

Research Institutes

Environmental Protection

Pharmaceuticals

Food and Beverage Industries

Fee Structure:

Admission Fee: Rs 15,000

Registration Fee: Rs 15,000

Tuition Fee per Semester: Rs 113,135

Scheme of Study:

Semester 1:

Advanced Mass Spectrometry (3 credits)

Discipline Elective I (3 credits)

Nanomaterials and Applications (3 credits)

Organometallic Chemistry (3 credits)

Semester 2:

Discipline Electives II, III, IV, V (3 credits each)

Semester 3 & 4:

Domain Electives I & II (6 credits each)

This program offers students extensive theoretical knowledge, laboratory skills, and research expertise in various branches of chemistry, preparing them for roles in both academic and industrial settings.

MS Mathematics

The MS in Mathematics program at the University of Sialkot focuses on both pure and applied mathematics. The program prepares students to apply mathematical principles to various fields, including science, technology, and industry.

Key Details:

Eligibility:

45% in the Annual System or a 2.0 CGPA in the Semester System.

GAT/Departmental Admission Test required.

Duration: 2 to 3 years

Credit Hours: 30 to 36 credit hours

Career Opportunities:

Graduates can work in industries and sectors such as:

Research & Development

Economic Research Firms

Market Research Firms

Manufacturing

Software Companies (Operations Research, Software Design, Programming)

Universities

Fee Structure:

Admission Fee: Rs 15,000

Registration Fee: Rs 15,000

Tuition Fee per Semester: Rs 113,135

Scheme of Study:

Semester 1:

Advanced Group Theory (3 credits)

Advanced Numerical Analysis (3 credits)

Advanced Ordinary Differential Equations (3 credits)

Viscous Fluid Mechanics (3 credits)

Semester 2:

Discipline Electives I, II, III, IV (3 credits each)

Semester 3 & 4:

Domain Electives I & II (6 credits each)

This program provides advanced mathematical training for diverse applications in industries, academia, and research, preparing graduates to contribute significantly to various sectors.

MS Physics

The MS in Physics program at the University of Sialkot offers specialized training in three main areas: Material Sciences, Radiation Physics, and Theoretical Physics. The program emphasizes research and practical knowledge of various aspects of matter and materials, playing a crucial role in interdisciplinary research with fields like Mathematics, Chemistry, and Biosciences.

Key Details:

Eligibility:

45% in the Annual System or a 2.0 CGPA in the Semester System.

GAT/Departmental Admission Test required.

Duration: 2 to 3 years

Credit Hours: 30 to 36 credit hours

Career Opportunities:

Graduates can pursue careers in:

Colleges and Universities

Research Institutions (PICRET, PNRA, KRL, NESCOM, PAEC, PINSTECH, PIEAS)

National R&D Organizations

Industries requiring analytical and prototype development skills

Fee Structure:

Admission Fee: Rs 15,000

Registration Fee: Rs 15,000

Tuition Fee per Semester: Rs 113,135

Scheme of Study:

Semester 1:

Classical Physics (3 credits)

Domain Electives I & II (3 credits each)

Quantum Physics (3 credits)

Semester 2:

Advanced Electrodynamics (3 credits)

Domain Electives III & IV (3 credits each)

Statistical Physics (3 credits)

Semester 3 & 4:

Thesis (6 credits each)

This program equips graduates with advanced knowledge in Physics, preparing them for diverse career paths in academia, research, and industry.

MS Zoology

The MS Zoology program at the University of Sialkot focuses on wildlife conservation, species protection, and ecosystem management. The program aims to equip students with professional-level skills to conserve endangered species and manage fragmented habitats, preparing them for leadership roles in wildlife management in Pakistan.

Key Details:

Eligibility:

45% in the Annual System or a 2.0 CGPA in the Semester System.

GAT/Departmental Admission Test required.

Duration: 2 to 3 years

Credit Hours: 30 to 36 credit hours

Career Opportunities:

Graduates can pursue careers in:

Wildlife conservation and management

Research and academic institutions

Government and non-government organizations

Environmental protection agencies

Zoo and nature reserve management

Fee Structure:

Admission Fee: Rs 15,000

Registration Fee: Rs 15,000

Tuition Fee per Semester: Rs 113,135

Scheme of Study:

Semester 1:

Advanced Biological Techniques (3 credits)

Discipline Electives I, II, III (3 credits each)

Semester 2:

Applied Biostatistics (3 credits)

Discipline Electives IV, V, VI (3 credits each)

Semester 3 & 4:

Domain Electives I & II (6 credits each)

This program aims to develop graduates who can contribute to wildlife conservation efforts and ecosystem preservation, while also enhancing their research and communication skills.

PhD Chemistry

The PhD Chemistry program at the University of Sialkot is designed to create scholars who focus on addressing real-world challenges with practical, socio-economic benefits rather than solely pursuing academic accolades. The program emphasizes innovation and meaningful contributions to society through research.

Key Details:

Eligibility:

Master's degree in Chemistry or related field with a minimum of 45% marks (Annual System) or a 2.0 CGPA (Semester System).

GAT/Departmental Admission Test required.

Duration: 3 to 7 years

Credit Hours: 40 to 50 credit hours

Career Opportunities:

Graduates of this program can pursue careers in:

Research and development

Higher education institutions

Government and private sector research

Pharmaceutical and chemical industries

Environmental agencies and NGOs

Fee Structure:

Admission Fee: Rs 15,000

Registration Fee: Rs 15,000

Tuition Fee per Semester: Rs 167,706

Scheme of Study:

Semester 0:

Discipline Elective VII & VIII (3 credits each)

Semester 1:

Advanced Mass Spectrometry (3 credits)

Discipline Electives II & III (3 credits each)

Semester 2:

Discipline Electives IV, V, VI (3 credits each)

Semester 3-6:

Comprehensive Exam (0 credits)

Thesis (6 credits per semester)

The program provides students with a thorough foundation in advanced chemistry topics while fostering innovative research skills with real-world impact.

MS Computer Science

The MS Computer Science program at the University of Sialkot is designed to provide advanced knowledge in key areas of computer science. The program aims to produce academicians and professionals equipped with deep expertise in software engineering, computer networks, and databases.

Key Details:

Eligibility:

Minimum 45% marks in the Annual System or 2.0 CGPA in the Semester System.

GAT/Departmental Admission Test required.

Duration: 2 to 3 years

Credit Hours: 30 to 36 credit hours

Career Opportunities:

Graduates can pursue careers in:

Software engineering

Database administration

IT consultancy

Systems analysis

Web development

UX design

Digital marketing

Fee Structure:

Admission Fee: Rs 15,000

Registration Fee: Rs 15,000

Tuition Fee per Semester: Rs 113,135

Scheme of Study:

Semester 1:

Advanced Analysis of Algorithms (3 credits)

Advanced Computer Architecture (3 credits)

Domain Elective I (3 credits)

Research Methodology (1 credit)

Semester 2:

Advanced Operating Systems (3 credits)

Domain Elective II (3 credits)

Theory of Computation (3 credits)

Semester 3:

Domain Elective III (3 credits)

Thesis or Course (6 credits)

Semester 4:

Domain Elective IV (3 credits)

Thesis or Course (6 credits)

This program equips students with specialized skills in computer science to excel in both academic and professional settings.

PhD Computer Science

The PhD Computer Science program at the University of Sialkot provides in-depth, specialized theoretical and practical knowledge to prepare students for careers in academia, research, or industry.

Key Details:

Eligibility:

Minimum CGPA of 3.0 (out of 4.0) or First Division in MPhil/MS or equivalent.

At least 70 marks in the University Admission Test or 60 marks in the GAT Subject Test.

Duration: 3 to 5 years

Credit Hours: 30 to 32 credit hours

Career Opportunities:

PhD graduates can pursue careers as:

University professors

Research scientists

Entrepreneurs

Specialists in national and multinational companies

Fee Structure:

Admission Fee: Rs 15,000

Registration Fee: Rs 15,000

Tuition Fee per Semester: Rs 167,706

Program Features:

The program provides students with a solid foundation in both theoretical and practical aspects of computer science. The focus is on interdisciplinary research that contributes to the IT industry and academia.

The department fosters a professional and ethical environment to enhance the career development of students. The university's location in Sialkot, a major industrial hub, offers excellent opportunities for research and collaboration with industries.

MS Education

The MS Education program at the University of Sialkot is designed for individuals aiming to assume leadership roles in education or pursue careers in educational research. The program emphasizes scientific inquiry and practical teaching methods to enhance students' knowledge and research expertise.

Key Details:

Eligibility:

Minimum 45% marks in the Annual System or 2.0 CGPA in the Semester System.

GAT/Departmental Admission Test required.

Duration: 2 to 3 years

Credit Hours: 30 to 36 credit hours

Career Opportunities:

Graduates may pursue leadership roles such as:

Head or Leading Teacher

Assistant/Deputy Principal

Educational Administrators

Academic Managers

Curriculum Leaders

Fee Structure:

Admission Fee: Rs 15,000

Registration Fee: Rs 15,000

Tuition Fee per Semester: Rs 113,135

Scheme of Study:

Semester 1:

Advanced Quantitative Research in Education (3 credits)

Discipline Elective I (3 credits)

Learning Technologies (3 credits)

Semester 2:

Advanced Curriculum Development (3 credits)

Advanced Qualitative Research in Education (3 credits)

Discipline Elective II (3 credits)

Semester 3:

Discipline Elective III (3 credits)

Discipline Elective IV (3 credits)

Domain Elective I (6 credits)

Semester 4:

Domain Elective II (6 credits)

This program fosters leadership in educational institutions and equips students with skills in research and academic management.

MS English

The MS English program at the University of Sialkot focuses on language skills, critical thinking, and interdisciplinary research in literature and linguistics. It offers an in-depth exploration of applied linguistics and literary analysis to enhance students' understanding and application of language.

Key Details:

Eligibility:

Minimum 45% marks in the Annual System or 2.0 CGPA in the Semester System.

GAT/Departmental Admission Test required.

Duration: 2 to 3 years

Credit Hours: 30 to 36 credit hours

Career Opportunities:

Graduates can work in fields such as:

Fiction/Creative Writing

Forensic Linguistics

Communicative Language Teaching

Media and NGOs

Neurolinguistics and Computational Linguistics

Fee Structure:

Admission Fee: Rs 15,000

Registration Fee: Rs 15,000

Tuition Fee per Semester: Rs 113,135

Scheme of Study:

Semester 1:

Advanced Literary/Cultural Research Methodology (3 credits)

Phonetics and Phonology (3 credits)

Research Methods in Linguistics (3 credits)

South Asian Literature (3 credits)

Stylistics (3 credits)

Semester 2:

Contemporary Literary Theory (3 credits)

Domain Elective III (3 credits)

Domain Elective IV (3 credits)

Semester 3:

Domain Elective I (6 credits)

Domain Elective V (3 credits)

Domain Elective VI (3 credits)

Semester 4:

Domain Elective II (6 credits)

This program aims to develop advanced research and teaching capabilities, providing graduates with a strong foundation for careers in English language and literature.

MS International Relations

The MS International Relations program at the University of Sialkot is designed to provide in-depth knowledge of global politics and state relations. It emphasizes research on international issues, fostering critical thinking and problem-solving skills to address global challenges.

Key Details:

Eligibility:

Minimum 45% marks in the Annual System or 2.0 CGPA in the Semester System.

GAT/Departmental Admission Test required.

Duration: 2 to 3 years

Credit Hours: 30 to 36 credit hours

Career Opportunities:

Graduates can pursue careers in:

Civil and Foreign Services

Journalism (Foreign News Correspondents)

Defense Department (Military and Civilian)

Intelligence Organizations

Fee Structure:

Admission Fee: Rs 15,000

Registration Fee: Rs 15,000

Tuition Fee per Semester: Rs 113,135

Scheme of Study:

Semester 1:

International Relations Advanced Theory and Practice (3 credits)

Advanced Research Methodology (3 credits)

Discipline Elective I (3 credits)

Semester 2:

Discipline Elective II (3 credits)

Foreign Policy Analysis (3 credits)

Global Political Economy (3 credits)

Semester 3:

Discipline Elective III (3 credits)

Discipline Elective IV (3 credits)

Domain Elective I (6 credits)

Semester 4:

Domain Elective II (6 credits)

The program prepares students to critically engage with global political systems and contribute to policy development and international relations.

MS Islamic Studies

The MS Islamic Studies program at the University of Sialkot offers a deep understanding of Islamic teachings, history, and research methods. Students can progress from BS to MPhil and PhD programs, depending on faculty availability.

Key Details:

Eligibility:

Minimum 45% marks in the Annual System or 2.0 CGPA in the Semester System.

GAT/Departmental Admission Test required.

Duration: 2 to 3 years

Credit Hours: 30 to 36 credit hours

Career Opportunities:

Graduates can explore roles in:

Academic Research

Islamic Institutions

Religious Studies

Teaching and Training

Fee Structure:

Admission Fee: Rs 15,000

Registration Fee: Rs 15,000

Tuition Fee per Semester: Rs 113,135

Scheme of Study:

Semester 1:

Discipline Elective I (3 credits)

Quranic Science (3 credits)

Research Methodology (3 credits)

Semester 2:

Discipline Elective II (3 credits)

Hadith Sciences (3 credits)

Study of World Religions (3 credits)

Semester 3:

Discipline Elective III (3 credits)

Discipline Elective IV (3 credits)

Domain Elective I (6 credits)

Semester 4:

Domain Elective II (6 credits)

The program is designed to enhance knowledge in Islamic studies and prepare students for academic, religious, and cultural contributions in society.

MS Urdu

The MS Urdu program at the University of Sialkot, established in Spring 2020, aims to develop critical thinking, research, and linguistic skills. It emphasizes advanced research methods in both qualitative and quantitative studies, fostering self-realization and active learning.

Key Details:

Eligibility:

Minimum 45% marks in the Annual System or 2.0 CGPA in the Semester System.

GAT/Departmental Admission Test required.

Duration: 2 to 3 years

Credit Hours: 30 to 36 credit hours

Career Opportunities:

Graduates can pursue careers in:

Teaching and Academic Supervision

Research and Translation

Editing and Interpretation

Linguistics

Fee Structure:

Admission Fee: Rs 15,000

Registration Fee: Rs 15,000

Tuition Fee per Semester: Rs 113,135

Scheme of Study:

Semester 1:

Domain Elective VII (3 credits)

تدوین و تحقیق اصول (3 credits)

احتمب کے اس اور تذقیہ (3 credits)

Semester 2:

Domain Elective IV (3 credits)

مطالعہ کا زبانوں پر ایک سائنسی (3 credits)

مسائل و اصول ترجمہ (3 credits)

Semester 3:

Domain Elective I (6 credits)

Domain Elective V (3 credits)

Domain Elective VI (3 credits)

Semester 4:

Domain Elective II (6 credits)

The program prepares students to be linguists and experts in Urdu literature, research, and translation.

PhD English Linguistics

The PhD in English Linguistics program at the University of Sialkot offers an advanced research-focused curriculum in linguistics. The program is designed to develop expertise in language theory, linguistic analysis, and scholarly research.

Key Details:

Eligibility: To be updated soon

Duration: 3 to 5 years

Credit Hours: 54 credit hours

Career Opportunities:

Graduates can pursue careers in:

Higher Education (Teaching & Research)

Language Research and Linguistic Consultancy

Translation and Interpretation

The program is focused on fostering creativity, critical analysis, and innovation in linguistics, contributing to the development of linguistic studies globally.

PhD Islamic Studies

The PhD in Islamic Studies program at the University of Sialkot is designed for students aiming to explore Islamic thought, history, and contemporary issues. The program emphasizes the Quran, Hadith, Islamic History, Fiqh, Islamic Philosophy, Tasawwuf, Ilm ul Kalam, and World Religions. It focuses on preparing students to address modern challenges in the Muslim world using primary Islamic sources.

Key Details:

Eligibility:

MS/MPhil in Islamic Studies or equivalent degree with at least 60% marks or a CGPA of 3.0/4.0.

Departmental test and interview are required.

A one-page research proposal summary must be submitted at the time of the interview.

Duration: 3 to 5 years

Credit Hours: 42 credit hours

Career Opportunities:

Graduates can pursue careers in:

Teaching and Research in universities and research institutions

Government and non-governmental organizations

Islamic centers globally

Religious leadership and mentoring roles in the armed forces

Publishing, consulting, and media roles

Fee Structure:

Admission Fee: Rs 15,000

Registration Fee: Rs 15,000

Tuition Fee per Semester: Rs 99,000

Scheme of Study:

Semester 1:

Contemporary Trends in Tafsir Literature (3 credits)

Discipline Elective I (3 credits)

Discipline Elective II (3 credits)

Semester 2:

Discipline Elective III (3 credits)

Discipline Elective IV (3 credits)

Research Methodology in Islamic Studies (3 credits)

The program provides advanced research opportunities, fostering expertise in Islamic Studies to tackle global and contemporary issues.

PhD Urdu

The PhD in Urdu program at the University of Sialkot is designed for students pursuing advanced studies in the Urdu language and literature. It builds research expertise through intensive studies in various linguistic and literary domains.

Key Details:

Eligibility:

MS/MPhil in Urdu or equivalent degree with at least 60% marks or a CGPA of 3.0/4.0.

Departmental test and interview required.

One-page research proposal summary to be submitted during the interview.

Duration: 3 to 5 years

Credit Hours: 42 credit hours

Career Opportunities:

Career details are to be updated soon.

Fee Structure:

Admission Fee: Rs 15,000

Registration Fee: Rs 15,000

Tuition Fee per Semester: Rs 99,000

MS Food and Nutrition

The MS in Food and Nutrition program at the University of Sialkot is aimed at students who want to specialize in nutrition science, food systems, and public health nutrition. The program incorporates both theoretical and practical aspects of the field.

Key Details:

Eligibility:

At least 45% marks in the Annual System or 2.0 CGPA in the Semester System.

GAT/Departmental Admission Test required.

Duration: 2 to 3 years

Credit Hours: 30 to 36 credit hours

Career Opportunities:

Career details are to be updated soon.

Fee Structure:

Admission Fee: Rs 15,000

Registration Fee: Rs 15,000

Tuition Fee per Semester: Rs 113,135

Scheme of Study:

Semester 1:

Institutional Management and Nutrition (3 credits)

Life Cycle Nutrition (3 credits)

Public Health and Nutrition (3 credits)

Research Methods in Food and Nutrition (3 credits)

Semester 2:

Design and Analysis of Experiments (3 credits)

Functional Foods and Nutraceuticals (3 credits)

Pediatrics and Geriatrics Nutrition (3 credits)

Recent Advances in Nutrition and Dietetics (3 credits)

Semester 3:

Seminar Research Proposal Defense (0 credits)

Thesis (6 credits)

The program offers both theoretical learning and practical research, equipping students for careers in nutrition, dietetics, and public health.
