

Hey this is University of Sialkot. It is also called USKT. It is located in Sialkot. The University of Sialkot chatbot is designed to respond to various user inquiries, providing valuable assistance about the university, its operations, and the team behind its development. Users are greeted with responses like "Hello!" or "Good to see you again!" when they say "hi" or similar greetings. The chatbot also provides information on more specific queries. For instance, when users ask about the university's name, they are informed that it is the "University of Sialkot." If users inquire about the timing or working hours of the university, the chatbot responds by saying the university is open from 08:30 AM to 04:30 PM, Monday through Saturday. The chatbot is also equipped to answer questions about the university's leadership, such as, "Who is your supervisor?" to which it replies, "Our supervisor's name is Zain Ul Abedeen," emphasizing his role as an exceptional leader known for his guidance and support. In terms of development, when users ask about who created the chatbot, they are informed that it was developed by Arham, Moazam, and Romeesa, a team consisting of two male developers and one female developer. These developers worked together under the supervision of Zain Ul Abedeen. Moreover, the chatbot is capable of answering more functional queries about its purpose, such as what it can do for users. It explains that it can provide answers to intermediate-level questions about the university and is primarily focused on assisting users with university-related inquiries. In conclusion, the chatbot serves as a friendly and helpful guide for students and others seeking information about the University of Sialkot, ensuring that users receive accurate and timely responses to their questions. When should I come to University? The University is open from 08:30 am to 04:30 pm, Monday through Saturday. You can attend the University during these hours. For any further inquiries, you can contact the university at +92-523575518 or email info@uskt.edu.pk. If you're interested in the courses offered, the University provides the following programs: Bachelor of Science (BS) in Computer Science, Software Engineering, Information Technology, Mathematics, Physics, Chemistry, Botany, Zoology, Biochemistry, Microbiology, Environmental Sciences, Statistics, Economics, English, Urdu, Islamic Studies, Pakistan Studies, Master of Science (MS) in Computer Science, Software Engineering, Information Technology, Mathematics, Physics, Chemistry, Botany, Zoology, Biochemistry, Microbiology, Environmental Sciences, Statistics, Economics, English, Urdu, Islamic Studies, Pakistan Studies, Bachelor of Business Administration (BBA), Master of Business Administration (MBA), Bachelor of Laws (LLB), Doctor of Pharmacy (Pharm.D), Bachelor of Science (BS) in Fashion Design, Bachelor of Textile Design (BTD), Bachelor of Fashion Marketing & Merchandising (BFMM), Doctor of Physical Therapy (DPT), Bachelor of Science (BS) in Electrical Engineering, Civil Engineering, Mechanical Engineering, Mechatronics Engineering, Telecommunication Engineering, Agricultural Sciences. The University of Sialkot is located at 1-KM Main Daska Road, Sialkot, and features two campuses: the Main Campus and Iqbal Campus. The Main Campus is a spacious facility with three floors, providing students with an excellent infrastructure. The Engineering department offers fully air-conditioned labs with internet connections, smart classrooms, an auditorium, and a library boasting over 10,000 books. The university also accommodates students in its hostel, located 500 meters from the main

building, with a capacity for separate rooms for each student. The hostel fees are Rs. 40,000 per month, while the admission fee is Rs. 15,000, and the university accepts a maximum of 60 students per branch in departments such as IT and Computer Science. For more details about events organized at the university, you can visit <https://www.uskt.edu.pk/> Our university boasts excellent infrastructure with a clean campus and well-equipped IT labs, offering high-speed internet connectivity. The food facilities include a café that provides a diverse menu, including burgers, biryani, finger chips, sandwiches, drinks, biscuits, and more. Students can enjoy a variety of food options, making dining a delightful experience on campus. As for administrative queries, the university has a dedicated team, including Heads of Departments (HODs) for each academic discipline. For instance, the HOD of the Computer Science department is Muhammad Azeem, while the HOD of the Electrical Engineering department is Syed Zulqadar Hassan. The Executive Director of the university is M. Rehan Younus, and the Chairman is Faisal Manzoor. The Vice Chancellor, Dr. Muhammad Khaleeq Ur Rahman, oversees university operations, ensuring academic excellence and student support. If you need assistance, it's recommended to reach out to your branch HOD first for appropriate guidance. In terms of financial support, the university offers scholarships for students maintaining a GPA of 3.5 or above. Eligible students can apply for scholarships after midterm exams, with the percentage of the scholarship depending on their GPA: 10% for a GPA of 3.5, 20% for a GPA of 3.8, and 30% for a perfect GPA of 4.0. For more information, students should visit the university's website and submit the required documents to their advisors.

The University of Sialkot (USKT), located in the heart of Sialkot, Pakistan, is a premier institution dedicated to delivering world-class education. It provides a secure, peaceful, and enriching environment, supported by highly trained faculty. USKT can be contacted via email at info@uskt.edu.pk or by phone at +92-52-35751820, with office timings from 8:30 AM to 4:30 PM. Renowned for its ranking in the Times Higher Education Impact Rankings 2022, the university collaborates with 12 international universities and has signed 29 national agreements to promote academic and cultural exchange. Its vision emphasizes creativity, innovation, and adherence to social and cultural values, while its mission focuses on affordable education, intellectual growth, and fostering research and entrepreneurship through industry collaboration. USKT comprises diverse faculties, including Computing and IT, Engineering, Humanities and Social Sciences, Law, Management, Pharmacy, Sciences, and Textile and Fashion Designing, aiming to produce skilled professionals ready for future challenges. The university also offers numerous facilities, such as Honhaar Scholarships, cybersecurity training workshops, fee discounts, and events like student camps and academic conferences. Led by Chairman Mr. Faisal Manzoor, Executive Director Mr. Muhammad Rehan Younus, and Vice-Chancellor Prof. Dr. Muhammad Khaleeq Ur Rahman, USKT stands as a symbol of academic excellence and innovation. Fall 2024 admissions are currently open for undergraduate and postgraduate programs, providing a gateway to quality education and professional success.

- **Chairman BoG:** Mr. Faisal Manzoor, a visionary entrepreneur with over 20 years of contribution to Pakistan's education sector.
- **Executive Director:** Mr. Muhammad Rehan Younas, a social entrepreneur focused on knowledge development and technology transfer.
- **Registrar, Treasurer, Controller of Examinations, and other offices** responsible for the administrative and academic functions of the university.

The University of Sialkot (USKT) aspires to achieve academic excellence and foster a culture of creativity, innovation, and research with a focus on social and cultural values. It offers world-class education, prioritizing quality learning, professional success, and intellectual development, all within a secure and peaceful campus environment. With trained staff and a diverse community, USKT emphasizes ethics, tolerance, and social responsibility. Its mission revolves around providing affordable education that nurtures critical thinking, problem-solving abilities, and entrepreneurial spirit in collaboration with industries. The university offers a range of programs, including undergraduate and postgraduate degrees, and strives to groom students for professional success. Under the leadership of Mr. Faisal Manzoor (Chairman) and Mr. Muhammad Rehan Younus (Executive Director), USKT is determined to shape the future of education in the region, contributing to both personal and societal growth. With state-of-the-art infrastructure and a commitment to holistic student development, USKT is a beacon for academic and research excellence.

Here's the list of undergraduate programs offered by the University of Sialkot across different faculties:

1. **Faculty of Management and Administrative Sciences:**
 - BBA
 - ADP in Aviation Management
 - International Marketing and E-Commerce
 - Business Studies
2. **Faculty of Law:**
 - 5-year LLB Program
 - BS Criminology
3. **Faculty of Sciences:**
 - Biochemistry
 - Biotechnology
 - Chemistry
 - Physics
 - Zoology
4. **Faculty of Computing and Information Technology:**

- BS Artificial Intelligence
- BS Computer Science
- BS Data Science
- BS Software Engineering
- BS Information Technology
- 5. **Faculty of Humanities and Social Sciences:**
 - ADP in English
 - BS English
 - BS Media and Communication Studies
 - BS International Relations
 - BS Clinical Psychology
- 6. **Faculty of Textile and Fashion Designing:**
 - Fashion Design
 - Graphic Design
- 7. **Faculty of Pharmacy and Allied Health Sciences:**
 - Doctor of Pharmacy (PharmD)
 - Medical Imaging Technology
 - Human Nutrition and Dietetics
- 8. **Faculty of Engineering and Architecture:**
 - Civil Engineering Technology
 - Mechanical Engineering Technology

Here's the information about each faculty at the University of Sialkot, structured in point form:

Faculty of Computing and Information Technology

- **Goal:** To become a center of excellence in teaching and research in Computing and IT on an international level.
- **Key Elements:**
 - Incorporating emerging technologies in the curriculum.
 - Broad understanding of computer science, theory, and techniques.
 - Intensive education/training in specialized areas of Computer Science.
 - Development of communication skills (oral & written) to produce clear reports.
 - Foundation for higher learning and maintaining currency with new technologies.
 - Professional orientation for industry preparation.
- **Departments:**

- **Department of Artificial Intelligence and Data Science**
 - **Department of Computer Science** (Focus on critical thinking and professional intuition.)
 - **Department of Information Technology**
 - **Department of Software Engineering** (Established in 2013.)
-

Faculty of Engineering and Architecture

- **Goal:** To meet the technological demands of the world and provide students with innovative skills.
 - **Vision:** Build talented human resources in fields like Electrical, Mechanical, and Civil Engineering.
 - **Mission:** Provide technology-based skills to youth to contribute to economic development.
 - **Departments:**
 - **Department of Civil Engineering Technology** (Skills in the oldest engineering field.)
 - **Department of Electrical Engineering**
 - **Department of Electrical Engineering Technology** (Focus on technical skills in electrical engineering.)
 - **Department of Mechanical Engineering Technology** (Pioneering technological skills in Sialkot.)
-

Faculty of Humanities and Social Sciences

- **Goal:** To build students' character and prepare them to play a role in building a peaceful and prosperous society.
 - **Programs:** Includes Associate Degree, BS, and MS programs aligned with HEC guidelines.
 - **Departments:**
 - **Department of Education** (Focus on quality education and social contributions.)
 - **Department of English**
 - **Department of Languages**
 - **Department of Islamic Studies** (Focus on research excellence and ethical norms.)
 - **Department of Media and Communication Studies**
 - **Department of Politics and International Relations**
 - **Department of Psychology**
 - **Department of Urdu** (Urdu as a language and ideology.)
-

Faculty of Law

- **Goal:** To mark a new era in legal academia with a focus on professionalism and confidence-building in students.
 - **Teaching Approach:** Emphasizes theory, co-curricular activities, and professionalism.
 - **Departments:**
 - **Department of Law** (Established in 2019, accredited by PBC and HEC.)
-

Faculty of Management and Administrative Sciences

- **Goal:** To prepare students for careers in the private and public sectors by offering specialized business courses.
 - **Focus Areas:** Business management, marketing, human resources, accounting, finance, and entrepreneurship.
 - **Departments:**
 - **Department of Aviation Management**
 - **Department of Business Administration**
 - **Department of Commerce**
 - **Department of Economics** (Core department with a long history in the university.)
-

Faculty of Pharmacy and Allied Health Sciences

- **Goal:** To be a leader in clinical education, research, and public service in healthcare.
 - **Focus Areas:** Preparing students for roles in disease prevention, diagnostic services, and treatment.
 - **Departments:**
 - **Department of Dietetics and Nutritional Science**
 - **Department of Doctor of Physical Therapy (DPT)**
 - **Department of Medical Imaging Technology**
 - **Department of Medical Lab Technology**
 - **Department of Pharmacy** (Known for academic excellence in health sciences.)
-

Faculty of Sciences

- **Goal:** To provide both theoretical and practical knowledge in physical and biological sciences, with a focus on research and innovation.
- **Fields:** Food, agriculture, pharmaceutical, forensic, and medical sciences.
- **Departments:**
 - **Department of Biochemistry**

- **Department of Biological Sciences**
 - **Department of BioTechnology**
 - **Department of Chemistry**
 - **Department of Mathematics**
 - **Department of Physics**
 - **Department of Zoology** (Focus on animal sciences and applied knowledge.)
-

Faculty of Textile and Fashion Designing

- **Goal:** To offer a challenging and creative environment for students interested in the fashion design industry.
 - **Focus Areas:** Fashion design as an artistic and industry-related discipline.
 - **Departments:**
 - **Department of Fashion and Designing** (In-depth knowledge and hands-on creation of fashion designs.)
-

This structure organizes the key information for each faculty and its departments at the University of Sialkot. Let me know if you need further details or adjustments!

The MBA program at the University of Sialkot is designed to enhance graduates' managerial skills, executive personality, and intellectual abilities. With a curriculum that combines general management education with business practices, it prepares students for leadership roles in various industries. The program covers key areas like strategic management, finance, marketing, organizational behavior, and business communication. Students also engage in specialized electives tailored to their career interests.

Key Details:

- **Eligibility:** 16 years of business or non-business education recognized by HEC, with a minimum CGPA of 2.0 or 2nd Division.
- **Duration:** 2 to 4 years.
- **Credit Hours:** 50 to 60 credit hours.

Career Opportunities:

Graduates of the MBA program can pursue diverse roles such as Brand Manager, Accounts Manager, Marketing Executive, HR Manager, Business Development Executive, Management Consultant, and more. Opportunities for entrepreneurship and further education (e.g., Ph.D.) are also available.

Fee Structure:

- **Admission Fee:** Rs 15,000
- **Registration Fee:** Rs 15,000
- **Tuition Fee per Semester:** Rs 102,487

Semester Breakdown:

Semester 1:

- Accounting for Decision Making
- Managerial Finance
- Discipline Electives

Semester 2:

- Business Research Methods
- Contemporary Issues in Pakistan's Economy
- Discipline Electives

Semester 3:

- Advertising and Sales Promotion
- Consumer Behavior
- Entrepreneurship

Semester 4:

- Investment and Portfolio Management
- Supply Chain Management
- Domain Elective

This comprehensive MBA program prepares students for the complexities of global business environments and equips them with the skills to excel in leadership positions.

The **MS in Business Administration** at the University of Sialkot aims to equip students with advanced management skills in the context of global challenges, especially in finance, marketing, HRM, and other business domains. The program provides a strong research focus, enabling students to contribute to solving business problems in Pakistan's manufacturing, agriculture, and services sectors.

Key Details:

- **Eligibility:**
 - Minimum 45% in Annual System or a 2.0 CGPA in the Semester System.
 - 16 years of education in business, management, or relevant fields (e.g., MCom, BS Accounting, Finance).
 - GAT/Departmental Admission Test required.
- **Duration:** 2 to 3 years.
- **Credit Hours:** 30 to 36 credit hours.

Career Opportunities:

Graduates can pursue diverse roles such as:

- Brand Manager
- Account Manager
- International Business Manager
- Marketing Executive
- Business Technical Consultant
- Business Development Executive
- HR Manager
- Management Consultant

The program also prepares students for further studies like Ph.D., DBA, or professional qualifications such as CA, ACMA, CPA, and CIMA.

Fee Structure:

- **Admission Fee:** Rs 15,000
- **Registration Fee:** Rs 15,000
- **Tuition Fee per Semester:** Rs 113,135

Semester Breakdown:

Semester 0:

- Accounting for Decision Making
- Advertising and Sales Promotion

- Entrepreneurship

Semester 1:

- Advanced Research Methodology
- Discipline Electives
- Inferential Statistics

Semester 2:

- Discipline Electives
- Econometrics
- Manuscript and Academic Writing

Semester 3:

- Discipline Electives
- Domain Elective I

Semester 4:

- Domain Elective II

This program offers specialized knowledge that prepares students to excel in dynamic global business environments, providing them with solid research and decision-making skills.

The **MS in Economics** program at the University of Sialkot aims to equip students with advanced knowledge in economic theory and policies, alongside critical thinking, problem-solving, and research skills. This program focuses on addressing global and local economic challenges, particularly in Pakistan's context.

Key Details:

- **Eligibility:**
 - At least 45% marks in Annual System or a 2.0 CGPA in Semester System.
 - GAT/Departmental Admission Test required.
- **Duration:** 2 to 3 years.
- **Credit Hours:** 30 to 36 credit hours.

Career Opportunities:

Graduates can pursue a range of careers, including:

- Economic Analyst
- Researcher in Economics
- Policy Advisor
- Financial Consultant
- International Economic Relations Expert
- Econometrician

Fee Structure:

- **Admission Fee:** Rs 15,000
- **Registration Fee:** Rs 15,000
- **Tuition Fee per Semester:** Rs 113,135

Semester Breakdown:

Semester 1:

- Advanced Research Methodology
- Domain Elective I
- Inferential Statistics

Semester 2:

- Domain Elective II
- Manuscript and Academic Writing
- Theory and Application of Econometrics

Semester 3:

- Domain Elective III
- Domain Elective IV
- Thesis or Course

Semester 4:

- Thesis or Course

The program prepares students to engage in research-driven solutions to economic issues and contribute to global and national policy discussions, with a strong foundation in econometrics and applied economics.

The **PhD in Management Sciences** program at the University of Sialkot is designed to develop high-level research skills in Management Sciences. The program focuses on providing a solid theoretical foundation in areas like Human Resource Management, Marketing, and Finance, supported by both qualitative and quantitative research methodologies.

Key Details:

- **Eligibility:**
 - Minimum CGPA of 3.0 (semester system) or First Division (annual system) in the most recent degree.
 - Applicants must submit a **Statement of Purpose** and take a **Graduate Record Examination (GRE)** or an equivalent test.
- **Duration:** 3 to 5 years
- **Credit Hours:** 30 to 32 credit hours

Career Opportunities:

Graduates are prepared for careers in both **Academia** and the **Corporate World**, with expertise in:

- Research and Academia
- Management Consulting
- Senior Corporate Roles

Fee Structure:

- **Admission Fee:** Rs 15,000
- **Registration Fee:** Rs 15,000
- **Tuition Fee per Semester:** Rs 167,706

Semester Breakdown:

Semester 1:

- Advanced Business Research Methods
- Advanced Quantitative Data Analysis
- Seminar in Management Sciences

Semester 2:

- Advanced Qualitative Data Analysis
- Contemporary Topics in Management Sciences
- Manuscript Writing and Publication

Semesters 3 to 6:

- Dissertation/Research Thesis (9 credit hours per semester)

This PhD program provides students with the ability to contribute original research to the field of Management Sciences and develop a deep understanding of management practices.

MS Biological Sciences

The **MS in Biological Sciences** program at the University of Sialkot offers a modern curriculum with courses in Molecular and Cell Biology, Genetics, Biochemistry, Cell Signaling, and Computational Biology. This program is designed to enhance agricultural and livestock productivity and provide solutions for diseases related to plants, animals, and humans, benefiting the entire Sialkot region and beyond.

Key Details:

- **Eligibility:**
 - 45% in the Annual System or a 2.0 CGPA in the Semester System.
 - GAT/Departmental Admission Test required.
- **Duration:** 2 to 3 years
- **Credit Hours:** 30 to 36 credit hours

Career Opportunities:

Graduates can work in:

- Hospitals
- Universities
- Agriculture
- Food Industries
- Research Institutes
- Forensic Science
- Public Health

Fee Structure:

- **Admission Fee:** Rs 15,000
- **Registration Fee:** Rs 15,000
- **Tuition Fee per Semester:** Rs 113,135

Scheme of Study:

Semester 1:

- Advanced Bioinformatics (3 credits)
- Discipline Electives I, II, III (3 credits each)

Semester 2:

- Advanced Biostatistics (3 credits)
- Discipline Electives IV, V, VI (3 credits each)

Semester 3 & 4:

- Domain Electives I & II (6 credits each)
-

MS Biotechnology

The **MS in Biotechnology** program at the University of Sialkot focuses on advanced biotechnology concepts and techniques such as Biochemical Techniques, Molecular Biology, Bioinformatics, and Advances in Industrial and Agricultural Biotechnology.

Key Details:

- **Eligibility:**
 - 16 years of relevant education with at least 2.5 CGPA or 60% in the Annual System.
- **Duration:** 2 to 3 years
- **Credit Hours:** 30 to 36 credit hours

Career Opportunities:

Graduates can work in biotechnology-related sectors such as:

- Agricultural Biotechnology
- Industrial Biotechnology
- Research & Development
- Pharmaceutical Industries

Fee Structure:

- **Admission Fee:** Rs 15,000
- **Registration Fee:** Rs 15,000

- **Tuition Fee per Semester:** Rs 113,135

Scheme of Study:

Semester 1:

- Advanced Biochemical Techniques (3 credits)
- Advanced Bioinformatics (3 credits)
- Advanced Molecular Biology (3 credits)
- Advances in Biotechnology (3 credits)

Semester 2:

- Advanced Biostatistics (3 credits)
- Advances in Agriculture Biotechnology (3 credits)
- Advances in Industrial Biotechnology (3 credits)
- Research Methodology (3 credits)

Semester 3 & 4:

- Domain Electives I & II (6 credits each)

These programs are designed to equip students with the advanced skills required for careers in biotechnology and biological sciences.

MS Chemistry

The **MS in Chemistry** program at the University of Sialkot provides a comprehensive curriculum aimed at preparing professionals to contribute to the economic and industrial development of the country. The department boasts state-of-the-art laboratories and conducts research at the forefront of chemical knowledge.

Key Details:

- **Eligibility:**
 - 45% in the Annual System or a 2.0 CGPA in the Semester System.
 - GAT/Departmental Admission Test required.
- **Duration:** 2 to 3 years
- **Credit Hours:** 30 to 36 credit hours

Career Opportunities:

Graduates can work in various sectors such as:

- Chemical Industries
- Research Institutes
- Environmental Protection
- Pharmaceuticals
- Food and Beverage Industries

Fee Structure:

- **Admission Fee:** Rs 15,000
- **Registration Fee:** Rs 15,000
- **Tuition Fee per Semester:** Rs 113,135

Scheme of Study:

Semester 1:

- Advanced Mass Spectrometry (3 credits)
- Discipline Elective I (3 credits)
- Nanomaterials and Applications (3 credits)
- Organometallic Chemistry (3 credits)

Semester 2:

- Discipline Electives II, III, IV, V (3 credits each)

Semester 3 & 4:

- Domain Electives I & II (6 credits each)

This program offers students extensive theoretical knowledge, laboratory skills, and research expertise in various branches of chemistry, preparing them for roles in both academic and industrial settings.

MS Mathematics

The **MS in Mathematics** program at the University of Sialkot focuses on both pure and applied mathematics. The program prepares students to apply mathematical principles to various fields, including science, technology, and industry.

Key Details:

- **Eligibility:**
 - 45% in the Annual System or a 2.0 CGPA in the Semester System.
 - GAT/Departmental Admission Test required.
- **Duration:** 2 to 3 years
- **Credit Hours:** 30 to 36 credit hours

Career Opportunities:

Graduates can work in industries and sectors such as:

- Research & Development
- Economic Research Firms
- Market Research Firms
- Manufacturing
- Software Companies (Operations Research, Software Design, Programming)
- Universities

Fee Structure:

- **Admission Fee:** Rs 15,000
- **Registration Fee:** Rs 15,000
- **Tuition Fee per Semester:** Rs 113,135

Scheme of Study:

Semester 1:

- Advanced Group Theory (3 credits)
- Advanced Numerical Analysis (3 credits)
- Advanced Ordinary Differential Equations (3 credits)
- Viscous Fluid Mechanics (3 credits)

Semester 2:

- Discipline Electives I, II, III, IV (3 credits each)

Semester 3 & 4:

- Domain Electives I & II (6 credits each)

This program provides advanced mathematical training for diverse applications in industries, academia, and research, preparing graduates to contribute significantly to various sectors.

MS Physics

The **MS in Physics** program at the University of Sialkot offers specialized training in three main areas: Material Sciences, Radiation Physics, and Theoretical Physics. The program emphasizes research and practical knowledge of various aspects of matter and materials, playing a crucial role in interdisciplinary research with fields like Mathematics, Chemistry, and Biosciences.

Key Details:

- **Eligibility:**
 - 45% in the Annual System or a 2.0 CGPA in the Semester System.
 - GAT/Departmental Admission Test required.
- **Duration:** 2 to 3 years
- **Credit Hours:** 30 to 36 credit hours

Career Opportunities:

Graduates can pursue careers in:

- Colleges and Universities
- Research Institutions (PICRET, PNRA, KRL, NESCOM, PAEC, PINSTECH, PIEAS)
- National R&D Organizations
- Industries requiring analytical and prototype development skills

Fee Structure:

- **Admission Fee:** Rs 15,000
- **Registration Fee:** Rs 15,000
- **Tuition Fee per Semester:** Rs 113,135

Scheme of Study:

Semester 1:

- Classical Physics (3 credits)
- Domain Electives I & II (3 credits each)
- Quantum Physics (3 credits)

Semester 2:

- Advanced Electrodynamics (3 credits)
- Domain Electives III & IV (3 credits each)
- Statistical Physics (3 credits)

Semester 3 & 4:

- Thesis (6 credits each)

This program equips graduates with advanced knowledge in Physics, preparing them for diverse career paths in academia, research, and industry.

MS Zoology

The **MS Zoology** program at the University of Sialkot focuses on wildlife conservation, species protection, and ecosystem management. The program aims to equip students with professional-level skills to conserve endangered species and manage fragmented habitats, preparing them for leadership roles in wildlife management in Pakistan.

Key Details:

- **Eligibility:**
 - 45% in the Annual System or a 2.0 CGPA in the Semester System.
 - GAT/Departmental Admission Test required.
- **Duration:** 2 to 3 years
- **Credit Hours:** 30 to 36 credit hours

Career Opportunities:

Graduates can pursue careers in:

- Wildlife conservation and management
- Research and academic institutions
- Government and non-government organizations
- Environmental protection agencies
- Zoo and nature reserve management

Fee Structure:

- **Admission Fee:** Rs 15,000
- **Registration Fee:** Rs 15,000
- **Tuition Fee per Semester:** Rs 113,135

Scheme of Study:

Semester 1:

- Advanced Biological Techniques (3 credits)
- Discipline Electives I, II, III (3 credits each)

Semester 2:

- Applied Biostatistics (3 credits)
- Discipline Electives IV, V, VI (3 credits each)

Semester 3 & 4:

- Domain Electives I & II (6 credits each)

This program aims to develop graduates who can contribute to wildlife conservation efforts and ecosystem preservation, while also enhancing their research and communication skills.

PhD Chemistry

The **PhD Chemistry** program at the University of Sialkot is designed to create scholars who focus on addressing real-world challenges with practical, socio-economic benefits rather than solely pursuing academic accolades. The program emphasizes innovation and meaningful contributions to society through research.

Key Details:

- **Eligibility:**
 - Master's degree in Chemistry or related field with a minimum of 45% marks (Annual System) or a 2.0 CGPA (Semester System).
 - GAT/Departmental Admission Test required.
- **Duration:** 3 to 7 years
- **Credit Hours:** 40 to 50 credit hours

Career Opportunities:

Graduates of this program can pursue careers in:

- Research and development
- Higher education institutions
- Government and private sector research
- Pharmaceutical and chemical industries
- Environmental agencies and NGOs

Fee Structure:

- **Admission Fee:** Rs 15,000
- **Registration Fee:** Rs 15,000
- **Tuition Fee per Semester:** Rs 167,706

Scheme of Study:

Semester 0:

- Discipline Elective VII & VIII (3 credits each)

Semester 1:

- Advanced Mass Spectrometry (3 credits)
- Discipline Electives II & III (3 credits each)

Semester 2:

- Discipline Electives IV, V, VI (3 credits each)

Semester 3-6:

- Comprehensive Exam (0 credits)
- Thesis (6 credits per semester)

The program provides students with a thorough foundation in advanced chemistry topics while fostering innovative research skills with real-world impact.

MS Computer Science

The **MS Computer Science** program at the University of Sialkot is designed to provide advanced knowledge in key areas of computer science. The program aims to produce academicians and professionals equipped with deep expertise in software engineering, computer networks, and databases.

Key Details:

- **Eligibility:**
 - Minimum 45% marks in the Annual System or 2.0 CGPA in the Semester System.
 - GAT/Departmental Admission Test required.

- **Duration:** 2 to 3 years
- **Credit Hours:** 30 to 36 credit hours

Career Opportunities:

Graduates can pursue careers in:

- Software engineering
- Database administration
- IT consultancy
- Systems analysis
- Web development
- UX design
- Digital marketing

Fee Structure:

- **Admission Fee:** Rs 15,000
- **Registration Fee:** Rs 15,000
- **Tuition Fee per Semester:** Rs 113,135

Scheme of Study:

Semester 1:

- Advanced Analysis of Algorithms (3 credits)
- Advanced Computer Architecture (3 credits)
- Domain Elective I (3 credits)
- Research Methodology (1 credit)

Semester 2:

- Advanced Operating Systems (3 credits)
- Domain Elective II (3 credits)
- Theory of Computation (3 credits)

Semester 3:

- Domain Elective III (3 credits)
- Thesis or Course (6 credits)

Semester 4:

- Domain Elective IV (3 credits)
- Thesis or Course (6 credits)

This program equips students with specialized skills in computer science to excel in both academic and professional settings.

PhD Computer Science

The **PhD Computer Science** program at the University of Sialkot provides in-depth, specialized theoretical and practical knowledge to prepare students for careers in academia, research, or industry.

Key Details:

- **Eligibility:**
 - Minimum CGPA of 3.0 (out of 4.0) or First Division in MPhil/MS or equivalent.
 - At least 70 marks in the University Admission Test or 60 marks in the GAT Subject Test.
- **Duration:** 3 to 5 years
- **Credit Hours:** 30 to 32 credit hours

Career Opportunities:

PhD graduates can pursue careers as:

- University professors
- Research scientists
- Entrepreneurs
- Specialists in national and multinational companies

Fee Structure:

- **Admission Fee:** Rs 15,000
- **Registration Fee:** Rs 15,000
- **Tuition Fee per Semester:** Rs 167,706

Program Features:

The program provides students with a solid foundation in both theoretical and practical aspects of computer science. The focus is on interdisciplinary research that contributes to the IT industry and academia.

The department fosters a professional and ethical environment to enhance the career development of students. The university's location in Sialkot, a major industrial hub, offers excellent opportunities for research and collaboration with industries.

MS Education

The **MS Education** program at the University of Sialkot is designed for individuals aiming to assume leadership roles in education or pursue careers in educational research. The program emphasizes scientific inquiry and practical teaching methods to enhance students' knowledge and research expertise.

Key Details:

- **Eligibility:**
 - Minimum 45% marks in the Annual System or 2.0 CGPA in the Semester System.
 - GAT/Departmental Admission Test required.
- **Duration:** 2 to 3 years
- **Credit Hours:** 30 to 36 credit hours

Career Opportunities:

- Design and Analysis of Experiments (3 credits)
- Functional Foods and Nutraceuticals (3 credits)

- Pediatrics and Geriatrics Nutrition (3 credits)
- Recent Advances in Nutrition and Dietetics (3 credits)

Semester 3:

- Seminar Research Proposal Defense (0 credits)
- Thesis (6 credits)

The program offers both theoretical learning and practical research, equipping students for careers in nutrition, dietetics, and public health.

Here's a detailed structure for the fee breakdown based on the programs offered at your institution:

Fee Structure Breakdown:

Faculty of Management and Administrative Sciences:

BBA (Bachelor of Business Administration)

- **One-Time Fees:**
 - Admission Fee: Rs 15,000
 - Registration Fee: Rs 15,000
- **Semester-wise Tuition Fees:**
 - Semester 1 to 8: Rs 95,832 per semester

MBA (Master of Business Administration)

- **One-Time Fees:**
 - Admission Fee: Rs 15,000
 - Registration Fee: Rs 15,000
- **Semester-wise Tuition Fees:**
 - Semester 1 to 4: Rs 102,487 per semester

ADP Accounting & Finance

- **One-Time Fees:**
 - Admission Fee: Rs 15,000

- Registration Fee: Rs 15,000
- **Semester-wise Tuition Fees:**
 - Semester 1 to 4: Rs 86,515 per semester

ADP Aviation Management

- **One-Time Fees:**
 - Admission Fee: Rs 15,000
 - Registration Fee: Rs 15,000
- **Semester-wise Tuition Fees:**
 - Semester 1 to 4: Rs 86,515 per semester

ADP Business Studies

- **One-Time Fees:**
 - Admission Fee: Rs 15,000
 - Registration Fee: Rs 15,000
- **Semester-wise Tuition Fees:**
 - Semester 1 to 4: Rs 86,515 per semester

ADP Economics

- **One-Time Fees:**
 - Admission Fee: Rs 15,000
 - Registration Fee: Rs 15,000
- **Semester-wise Tuition Fees:**
 - Semester 1 to 4: Rs 79,860 per semester

ADP International Marketing and E-Commerce

- **One-Time Fees:**
 - Admission Fee: Rs 15,000
 - Registration Fee: Rs 15,000
- **Semester-wise Tuition Fees:**
 - Semester 1 to 4: Rs 86,515 per semester

BS Accounting & Finance

- **One-Time Fees:**
 - Admission Fee: Rs 15,000
 - Registration Fee: Rs 15,000
- **Semester-wise Tuition Fees:**
 - Semester 1 to 8: Rs 95,832 per semester

BS Aviation Management

- **One-Time Fees:**
 - Admission Fee: Rs 15,000
 - Registration Fee: Rs 15,000
- **Semester-wise Tuition Fees:**
 - Semester 1 to 8: Rs 95,832 per semester

BS Economics

- **One-Time Fees:**
 - Admission Fee: Rs 15,000
 - Registration Fee: Rs 15,000
- **Semester-wise Tuition Fees:**
 - Semester 1 to 8: Rs 95,832 per semester

MS Business Administration

- **One-Time Fees:**
 - Admission Fee: Rs 15,000
 - Registration Fee: Rs 15,000
- **Semester-wise Tuition Fees:**
 - Semester 1 to 4: Rs 113,135 per semester

MS Economics

- **One-Time Fees:**
 - Admission Fee: Rs 15,000
 - Registration Fee: Rs 15,000
- **Semester-wise Tuition Fees:**
 - Semester 1 to 4: Rs 113,135 per semester

PhD Management Sciences

- **One-Time Fees:**
 - Admission Fee: Rs 15,000
 - Registration Fee: Rs 15,000
- **Semester-wise Tuition Fees:**
 - Semester 1 to 6: Rs 167,706 per semester

Faculty of Law:

LLB (5 years)

- **One-Time Fees:**
 - Admission Fee: Rs 15,000

- Registration Fee: Rs 15,000
- **Semester-wise Tuition Fees:**
 - Semester 1 to 10: Rs 135,000 per semester

BS Criminology

- **One-Time Fees:**
 - Admission Fee: Rs 15,000
 - Registration Fee: Rs 15,000
 - **Semester-wise Tuition Fees:**
 - Semester 1 to 8: Rs 75,000 per semester
-

Faculty of Sciences:

ADP Applied Mathematics

- **One-Time Fees:**
 - Admission Fee: Rs 15,000
 - Registration Fee: Rs 15,000
- **Semester-wise Tuition Fees:**
 - Semester 1 to 4: Rs 86,515 per semester

ADP Biology

- **One-Time Fees:**
 - Admission Fee: Rs 15,000
 - Registration Fee: Rs 15,000
- **Semester-wise Tuition Fees:**
 - Semester 1 to 4: Rs 86,515 per semester

ADP Zoology

- **One-Time Fees:**
 - Admission Fee: Rs 15,000
 - Registration Fee: Rs 15,000
- **Semester-wise Tuition Fees:**
 - Semester 1 to 4: Rs 86,515 per semester

BS Biochemistry

- **One-Time Fees:**
 - Admission Fee: Rs 15,000
 - Registration Fee: Rs 15,000
- **Semester-wise Tuition Fees:**

- Semester 1 to 8: Rs 95,832 per semester

BS Biological Sciences

- **One-Time Fees:**
 - Admission Fee: Rs 15,000
 - Registration Fee: Rs 15,000
- **Semester-wise Tuition Fees:**
 - Semester 1 to 8: Rs 95,832 per semester

BS Biotechnology

- **One-Time Fees:**
 - Admission Fee: Rs 15,000
 - Registration Fee: Rs 15,000
- **Semester-wise Tuition Fees:**
 - Semester 1 to 8: Rs 95,832 per semester

BS Chemistry

- **One-Time Fees:**
 - Admission Fee: Rs 15,000
 - Registration Fee: Rs 15,000
- **Semester-wise Tuition Fees:**
 - Semester 1 to 8: Rs 95,832 per semester

BS Mathematics

- **One-Time Fees:**
 - Admission Fee: Rs 15,000
 - Registration Fee: Rs 15,000
- **Semester-wise Tuition Fees:**
 - Semester 1 to 8: Rs 95,832 per semester

BS Physics

- **One-Time Fees:**
 - Admission Fee: Rs 15,000
 - Registration Fee: Rs 15,000
- **Semester-wise Tuition Fees:**
 - Semester 1 to 8: Rs 95,832 per semester

BS Zoology

- **One-Time Fees:**
 - Admission Fee: Rs 15,000

- Registration Fee: Rs 15,000
- **Semester-wise Tuition Fees:**
 - Semester 1 to 8: Rs 95,832 per semester

MS Biological Sciences

- **One-Time Fees:**
 - Admission Fee: Rs 15,000
 - Registration Fee: Rs 15,000
- **Semester-wise Tuition Fees:**
 - Semester 1 to 4: Rs 113,135 per semester

MS Biotechnology

- **One-Time Fees:**
 - Admission Fee: Rs 15,000
 - Registration Fee: Rs 15,000
- **Semester-wise Tuition Fees:**
 - Semester 1 to 4: Rs 113,135 per semester

MS Chemistry

- **One-Time Fees:**
 - Admission Fee: Rs 15,000
 - Registration Fee: Rs 15,000
- **Semester-wise Tuition Fees:**
 - Semester 1 to 4: Rs 113,135 per semester

MS Mathematics

- **One-Time Fees:**
 - Admission Fee: Rs 15,000
 - Registration Fee: Rs 15,000
- **Semester-wise Tuition Fees:**
 - Semester 1 to 4: Rs 113,135 per semester

MS Physics

- **One-Time Fees:**
 - Admission Fee: Rs 15,000
 - Registration Fee: Rs 15,000
- **Semester-wise Tuition Fees:**
 - Semester 1 to 4: Rs 113,135 per semester

MS Zoology

- **One-Time Fees:**
 - Admission Fee: Rs 15,000
 - Registration Fee: Rs 15,000
- **Semester-wise Tuition Fees:**
 - Semester 1 to 4: Rs 113,135 per semester

PhD Chemistry

- **One-Time Fees:**
 - Admission Fee: Rs 15,000
 - Registration Fee: Rs 15,000
- **Semester-wise Tuition Fees:**
 - Semester 1 to 6: Rs 167,706 per semester

PhD Physics

- **One-Time Fees:**
 - Admission Fee: Rs 15,000
 - Registration Fee: Rs 15,000
- **Semester-wise Tuition Fees:**
 - Semester 0 to 6: Rs 167,000 per semester

The facilities include **air-conditioned labs**, smart classrooms, an auditorium, a library, and a cafeteria. The library, located on the first floor's center, houses over **10,000 books** and provides borrowing services. The cafeteria serves a variety of food, including **burgers, biryani**,

sandwiches, and drinks. Each branch, like IT and Computer Science, has **60 seats**, which may vary by department. The campus provides a clean environment and high-speed internet connectivity, ensuring a comprehensive student experience.

Here is the information about the Heads of Departments at the **University of Sialkot**:

HOD of the Department of Computer Science is Muhammad Azeem.

HOD of the Department of Information Technology is Muhammad Azeem.

HOD of the Department of Software Engineering is Sabeen Javaid.

HOD of the Department of Civil Engineering Technology is Usman Farooq.

HOD of the Department of Electrical Engineering is Syed Zulqadar Hassan.

HOD of the Department of Electrical Engineering Technology is Syed Zulqadar Hassan.

HOD of the Department of Mechanical Engineering Technology is Iqra Shahzadi.

HOD of the Department of Education is Rashid Minas.

HOD of the Department of English is Akhtar Abbas.

HOD of the Department of Islamic Studies is Abdul Rehman.

HOD of the Department of Media and Communication Studies is Rooma Shehzadi.

HOD of the Department of Politics and International Relations is Usman Qais.

HOD of the Department of Psychology is Anna Sharif.

HOD of the Department of Urdu is Mushtaq Ahmad Imtiaz.

HOD of the Department of Law is Faiza Choudhary.

HOD of the Department of Aviation Management is Abdul Ahad.

HOD of the Department of Business Administration is Muhammad Ramzan.

HOD of the Department of Commerce is Nosheen Rafi.

HOD of the Department of Economics is Muddassar Bilal.

HOD of the Department of Dietetics and Nutritional Science is Rahmat Gul.

HOD of the Department of Doctor of Physical Therapy (DPT) is Raveena Kumari.

HOD of the Department of Medical Imaging Technology is Sharmeen Kashif.

HOD of the Department of Medical Lab Technology is Farhana Bibi.

HOD of the Department of Pharmacy is Aisha Rauf.

HOD of the Department of Biochemistry is Muhammad Saqlain.

HOD of the Department of Biological Sciences is Muhammad Musaddiq Shah.

HOD of the Department of Biotechnology is Muhammad Jaffer Ali.

HOD of the Department of Chemistry is Mohsin Siddique.

HOD of the Department of Mathematics is Hafiz Muhammad Atif.

HOD of the Department of Physics is Farrukh Najmi.

HOD of the Department of Zoology is Rooma Adalat.

HOD of the Department of Fashion and Designing is Ghulam Abbas.

Each HOD leads their department with dedication and excellence.

The **University of Sialkot** offers scholarships to deserving students based on their GPA. Below are the details:

1. Eligibility Criteria:

- Students with a GPA of **3.5 or above** are eligible for scholarships.

2. Scholarship Details:

- **3.5 - 3.7 GPA:** 10% of the semester fee.
- **3.8 - 3.9 GPA:** 20% of the semester fee.
- **4.0 GPA:** 30% of the semester fee.
